

## Exhibition conducted by UBM, India on 23<sup>rd</sup> November 2016

---

UBM India stages leading exhibitions across India, attracting quality exhibitors and visitors from all over the world to meet their target business partners face-to-face for business matching and networking. The **pharmaceutical** ingredients and related sector events currently number over 15 highly-regarded annual events. Worldwide locations for these events include China, **India**, Korea, Japan, North America, Brazil, Africa, Indonesia, USA and Europe.

**CPhI**(API, Finished Formulations, Outsourcing, Generics, Excipients and Drug Formulation, FineChemicals, and Biosimilars) & **P-MEC**(Pharma Machinery and Equipment, Analytical Equipment, Automation & Robotics, Packaging Equipment & Supplies, Plant/Facility Equipment, Process Automation & Controls, Processing Equipment, RFID, Tableting / Capsule fillers, Clean room equipment, Filling equipment, Filtration/ Separation/ Purification), provides latest knowledge and newer trends in the industry. It is the best place for to source quality machinery and equipment at competitive prices and to make career changing connections. It brings together more than 32,000 dedicated pharma professionals, who spend three days of networking, business development and excellence. The CPhI & P-MEC exhibition conducted by UBM was held from 21<sup>st</sup> to 23<sup>rd</sup> November 2016 at following venues:

<b><u>Venue 1: BEC</u></b> Bombay Convention & Exhibition Centre, Goregaon East, Opp. Mahananda Dairy, Mumbai	<b><u>Venue 2: BKC</u></b> Plot no. 6, G-Block, MMRDA Grounds, Opp. Canara Bank, Bandra-Kurla Complex(BKC), Bandra (E) Mumbai
---------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------

Oriental College of Pharmacy staff (17), M.Pharmacy (1<sup>st</sup> & 2<sup>nd</sup> year)( 36 ) and S.Y B.Pharm (64) visited venue 1 on 23<sup>rd</sup> nov 2016. Therefore in total **117** members attended the visit. Transport quotations were asked and “Khushi Holiday Pvt Ltd” was finalised.

Two{49(2 /2)seater} buses were booked after approval from management. The bus provided to & fro service (college to venue & back).

Each student & staff were registered at CPhI & P-MEC (UBM) by their own email ID under guidance of co-ordinators (Dr.(Mrs.). Vanita Kanase, Ms. Pooja Gharat & Ms. Darkshan Shaik). Everyone received registration key followed by URN number on their own respective email ID. Compilation was done by co-ordinators.

Food packages were arranged from local suppliers for students as well as staff. S.Y B.Pharm & M.Pharm 1<sup>st</sup> year students were divided into groups headed by M.Pharm 2<sup>nd</sup> year students. Charge of each group was given to respective staff member. Instructions were given to staff & students regarding the rules & regulations of CPhI & P-MEC & then food packets were distributed.

Bus left college by 12:00 pm after taking signatures of present members as attendance & safety. We reached venue by 2:15 pm. There after passes for students were collected from counter (Hall 7) as per their URN number assigned by UBM after registration.

Groups along with their head & staff in-charge visited Halls (1-7). Students were briefed about the latest technology used in pharmaceutical industry. Visiting cards of suppliers (Excipients & machinery) were collected for future communication regarding free samples for college research work & industrial collaborations. Brochures enlightening about latest technology were collected by students to fill the gap between syllabus & current industrial aspects as per NBA requirements.

After the informative visit we left venue by 6:00pm. Attendance was taken in individual buses. Signatures of students were taken at their respective drop points. The buses reached college by 8:00pm.

Visit was successful because of co-operative efforts all staff members & students.

### *Glimpses of Successful Visit*
