**RESEARCH AND
DEVELOPMENT**

5. RESEARCH AND DEVELOPMENT

Our faculties and M. Pharm students continuously work on different drug delivery systems and allied projects. Students are encouraged to publish their research work in reputed journals. Research Projects are also a part of Final Year semester VIII curriculum. This helps the undergraduate students to get acquainted with the research methodologies.

5.1 RESEARCH TITLES OF M. PHARM STUDENTS

7.2 Parents Teachers Meet (PTM)

Parents Teachers Meeting is given high importance as it helps in understanding the issues of the guardians and also in conveying teachers' feedback about the students directly to the parents for their improvement. PTM was conducted for all the years as follows-

Class	Odd Semester	Even Semester
F.Y.B.Pharm.	25 th March 2023	17 th June 2023
S.Y.B.Pharm.	--	18 th March 2023
T.Y.B.Pharm.	17 th September 2022	28 th January 2023
Final Year B.Pharm.	15 th September 2022	21 st January 2023

Parents were given a detailed orientation about students' coursework & curriculum, exam pattern, attendance monitoring system, cocurricular and extracurricular activities and various initiatives taken at college level for all round student development. Class in-charges informed about their wards progress and personally addressed parents' queries. It was a fruitful session as the parents could personally interact with the faculty members and got thoroughly familiar with the college's rules and regulations.

8.5 International Yoga Day

As per the directives of University Grants Commission (UGC) and the Ministry of AYUSH, GOI, Oriental College of Pharmacy conducted a **Yoga Appreciation Program** on 21st June 2023 for students, teaching and non-teaching staff members. NSS unit, DLLE unit and PHO unit of the college took the initiative to conduct the programme.

Our Principal Dr. Sudha Rathod madam, who has a Diploma in Yoga and is an active Yoga practitioner since last 25 years, together with Yoga gurus from Patanjali conducted the session. They demonstrated various *asanas* to the attendees and asked them to perform the same under their guidance. They also explained the health benefits of each of these exercises and gave an overall explanation how Yoga benefits holistic wellbeing. At the end of this official program each member was asked to continue this practice at home every day.

Thus, awareness was created amongst all the staff and students of OCP regarding the benefits of practicing yoga regularly and a promise was made to follow this in the future.
