

## ACKNOWLEDGEMENT

In the accomplishment of this project successfully, many people have best owned me their blessings and the heart pledged support.

Primarily I would like to thank God for being able to complete this research work with success. I am highly indebted to my research guide Dr. (Mrs.) Pradnya Palekar Shanbhag, Head of Department (Pharmaceutics), Oriental college of pharmacy. Who have given me this opportunity to do this research work. This work would not have been possible without her kind support and guidance. Under her guidance I have learned a lot due to her kind co-operation which helped me to build an optimistic attitude towards my research work and complete my project successfully.

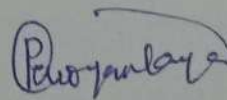

I am immeasurably thankful to Dr. (Mrs.) Sudha Rathod for being a constant source of motivation and support her guidance always continue to motivate me which harboured the with education and training I went through.

I am also indebted to my Co- guide Dr. (Mrs.) Chhanda Kapadia, Technical director of APAC pharma business at IMCD Group and Mr. Prajal Pandhare, Applicant Manager Application Development at IMCD for providing such a great exposure for expanding my learning skills and to know - how of formulation development to accomplish my research work with an immeasurable support which have taught me to grow technically as well as professionally.

I would like to express my special thanks of gratitude to IMCD- Pharma technical team, Mr. Parikshit Bhat, Dr.(Mrs.) Megha Marwah, Dr.(Mrs.)Sita VG, Mr. Sachin Ghadi and Mr. Dinkar Patankar for their invaluable support advise and love which helped me to do this project with the given time frame. This co-operation and healthy criticism came handy and useful with them

I also take this opportunity to express my sincere thanks to teaching and non-teaching staff of oriental college of pharmacy for their co-operation. I pay a mark of respect to my beloved family and friends for their love, trust, and support for lifting me uphill this phase of life.

Last but not the least, I owed deepest sense of gratitude towards my mother Mrs. Shakuntala vishwakarma, Father Jitendra Vishwakarma who have supported me spiritually throughout my life and encourage me as an constant source of motivation this dissertation is much more results of their blessings.

VISHWAKARMA PRIYANKA JITENDRA
