BLOOD DONATION CAMPAIGN

As known, safe blood and blood products and their transfusion are a critical aspect of care and public health. They save millions of lives and improve the health and quality of life of many patients every day. The need for blood is universal, but access to blood for all those who need it is not. Being aware of this situation, the PHO committee of Oriental College of Pharmacy had organized a Blood Donation campaign as a small contribution to the society. The Campaign was organized on 8th December 2021 in association with Samarpan Blood Centre. The campaign was inaugurated by the Principal Dr. (Mrs.) Sudha Rathod. The donors were provided with refreshments, certificates and gifts after donating their blood. They were also given the Donor's Card benefits. More than 40 donors donated their blood on that day. The campaign was promoted by sharing the posters on respective social media handles of the college and members. People were also personally contacted and informed by the members. The campaign was successfully held under the guidance of Dr. (Mrs.) Sudha Rathod (Principal of OCP), Mr. Imtiyaz Ansari (PHO In charge) and with the efforts taken by the PHO Committee.

Annual Extension Work Festival "UDAAN" 2023

DLE Department of Mumbai University organizes Annual Extension Work Festival, known as Udaan, every year. This festival gives platform to all the DLE students to showcase their talents in front of massive enthusiast and it also gives fair chance to compete with many other colleges.

This year too, MU had organized UDAAN festival and the best part was that it was offline this year. It was held on 7th February 2023 at SIES college of Commerce, Sion.

Dr. Kunal Jadhav, the director of DLE, motivated the participants through his presence and speech. There were judges from Marathi TV serials fame for judging street play. Apart from that, poster making, creative writing, elocution and powada singing were also included in the categories of competitions.

Only 1 student from each college and for each category was allowed to represent the college. So intra-college screening was also held at first week of January to select the best one from each category.

Mr. Vinayak Dubey, from T.Y.B.Pharm had hit the target by securing 3rd position in Elocution competition at Udaan Festival on 7th Feb 2023, among 20 other competing colleges. He had chosen the topic "Constitution of India", which brought this feather on his cap.
