Dear Candidate,

Ref: Welcome Letter for PGDM (Pharmaceutical Management) Orientation Program

Congratulations for taking one of the most important decisions in your life by choosing AICTE approved SIES School of Business Studies to pursue your management education. We are happy to inform you that Times of India has rated us as the # 1 Business School in Mumbai in March 2021. We hope this opportunity to experience our school will be interesting and mutually beneficial.

We deliver quality Management education unmatched by others by ensuring an open and non-traditional learning environment which is critical for intellectual, academic and personal grooming. No single methodology predominates here; only excellence and relevance matter. We describe ourselves as a school of thinking and experiential learning, and not a school of theoretical knowledge alone.

Entering a school like ours is indeed an exciting, busy and sometimes stressful experience. New academic categories, new policies, new people, new customs...all these can be confusing and frustrating. We therefore want to make your adjustment with us as smooth as possible. Here are some suggestions in this regard:

1st day at SIES School of Business Studies: Orientation program for your course is scheduled to commence on Monday, July 19, 2021 (9:30 am) using virtual platform (MS Teams) which will be followed by Foundation Program and commencement of regular classes as per the schedule recommended by AICTE. Link for all sessions will be shared shortly along with schedule of the Orientation program.

Microsoft Teams (MS Teams): As Government of Maharashtra has advised institutions not to hold physical classes, we will conduct academic processes using Microsoft Teams (MS Teams) platform for the Orientation & Foundation programs. You are advised to download this application on your mobile / laptop / PC and learn the basics of MS Teams on Youtube. Many basic tutorials are available of Web for getting familiar with MS Teams. In case you face any difficulty, please call our IT Team Support (Mr Charan: 91571 88137)

A sincere advice: We have noticed in the past that students without math and commerce background find it difficult (though not impossible) to understand Statistics, Accounting and Economics components of the program. We advise students to download basic books in math and accounting and go through them for better appreciation of discussions in classes. Also please keep a laptop with decent configuration (i5, 8GB -RAM, Hard Disk- 1TB).

Fees payment-Kindly pay fees as per the schedule shared with you earlier. Final admission will remain incomplete without payment of full fees.

Dress: Students are required to dress in formal during class hours, Online or in Campus. You are advised to get Two pairs of formal Trousers and Two White Shirts stitched for use during classes the interim period before a complete set of uniform (including Coat/Jacket) is suggested by us.

Articles for reading: During the Orientation program, you will be given a few articles written by eminent authors from Harvard and other world class business schools. You will be required to read and present them in groups towards the end of the Orientation program. Further details in this matter will be provided during the Orientation program.

While we look forward to meeting you, please feel free to call Ms Bindu (72088 67638) or Mr Chandrasekar - Registrar (82868 88880) for any clarification.

Warm regards,

PRINCIPAL
ORIENTAL COLLEGE OF PHARMACY
