A.Y 2021-22 Activity Report

REPUBLIC DAY

India marks January 26 as Republic Day every year. In 2022, the country is celebrating its 73rd Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India. The day was celebrated in our college with great eclat. The university building was tastefully decorated with flowerpots and national flags. We were beside ourselves with joy. Loudspeakers were fitted. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

The main attraction of Republic Day celebrations is singing a patriotic song, speeches on freedom fighters, and dancing to the republic day theme students as well as faculty members. This event begins with flag hosting by Rupali Jamode (Principal of Oriental College of Law) then she speaks a few words about freedom fighters and corona warriors. Then the principal of our college Oreintal College of Pharmacy Dr. Mrs. Sudha Rathod has given a speech on how our freedom fighters fought again British Raj. Some students were some very inspiring national songs sung in chorus. These were followed by stirring speeches by the students, teachers, and some prominent citizens. In the end, the program was concluded by distributing sweets and snacks to all the students.
