**A.Y 2022-23 Activity Report****FUN FAIR EVENT**

DLLE department of Mumbai University also gives the students a fair opportunity of entrepreneurship so that students learn a bit about the hard work and dedication required behind a business setup, also how to earn profit from the customers by also providing them satisfactory products at reasonable rates. First Year and Second Year students showed great enthusiasm in putting up various stalls, among which, the maximum were food stalls. Apart from that, a few game zone stalls, mehendi stalls, and jewelry stalls were also set up. Only home-made food items were allowed in the food stall and the entire OES campus was invited to buy food items from them. Students, as well as buyers, enjoyed a lot by this event, which included their prosperity in earning huge profits. Under the guidance and management of Ms. Swarnali Manick, also from the mere support of Management and Principal Madam, Dr. Sudha Rathod, students were able to make this event a huge success. Students decorated and made the arrangements near the parking lot on the ground floor (space near the accounts window). DLLE Committee is also thankful to Mr. Imran Chaus for helping out the students with tables and restricting the parking of two-wheelers on that day. Overall 15 stalls were set up and around 40-50 students contributed to this event.

**REPORT****GRAVITY - REVERIE, 2023**

The annual fest of Oriental College of Pharmacy - Gravity - was themed 'Reverie' this year. Reverie is derived from a French word meaning '*A state of being pleasantly lost in one's thoughts*'. The Gravity Week stretched from 20th to the 23rd of February, which was celebrated by observing Denim/Cap Day, Mismatched Day, Bollywood Day and Traditional Day, respectively. The entire week was filled with simultaneous cultural and sports events like flameless cooking, debate, singing, spell bee, open cricket, volleyball, carrom, and a lot of other fun-filled competitions. This was followed by the Annual Day organised on the 24th of February, in CIDCO Exhibition Centre, Vashi. We were honoured that Mr. Bipin Shah, President of the Thane-Belapur Association, agreed to grace this event with his invaluable presence. The entire event was conducted under the guidance and support of our esteemed Principal, Dr. (Mrs.) Sudha Rathod. The event commenced with, the honourable dignitaries lighting the lamp to seek blessings from the Almighty, requesting Him to oversee the well-being of each and every one present, and to surmount any obstacle that may arise mid-way. This was followed by the felicitation of the guests and dignitaries on the dais, who were presented with a memento and a sapling as a token of good gesture, as it symbolises longevity and re-birth. Subsequently, our esteemed Principal read the Annual Report of the college, showcasing our ever-growing community, their achievements and the ample amount of facilities provided by the college. Soon after that, the Chief Guest addressed the students and faculty members in the crowd, propounding the importance of the field of Pharmacy, and how it has gained a great deal of recognition over the years. A riveting moment for all attendees was the book release of our highly regarded Vice-Principal, Prof. Dr. Mohib Khan - 'Dietary Supplements and

Nutraceuticals'. One phrase stated by him that has been ingrained in our minds is - 'Jaisa ann, waisa mann', meaning 'You are what you eat' - teaching us all a priceless lesson - It is important to eat good food in order to be healthy physically, and mentally. Later, a dance competition and fashion show was conducted which the audience seemed to have thoroughly enjoyed. Towards the end of the event, the committee members, who served as a backbone of this event - from ideation to execution, were felicitated, followed by the winners of the varied events conducted beforehand. The Cultural In-Charges, Dr. (Mrs.) Manasi Gholkar and Mr. Abhijit Kanavaje, marked the end of the ceremony by addressing the vote of thanks. Just like every fairy-tale has a happy ending, Gravity - Reverie had one too, but each individual involved left with a fulfilled heart, and a bundle of memories.

REPORT

Teacher's Day is celebrated every year on 5th September to commemorate the Birth Anniversary of Dr. Sarvapalli Radhakrishnan to salute his remarkable approach towards education and students.

This year 5th September being a holiday due to Ganapati Festival, Teacher's Day was celebrated on 6th September 2022. As a mark of respect towards their teachers, the students and the Student Council Members contributed for the celebration. The event started in a conventional manner with 'Lamp Lighting' done by Principal Dr. Sudha Rathod madam along with the HODs. It was followed by a classical dance performance by Ms. Akanksha Patil expressing the position of teachers in the life of students.

Student council members prepared and presented a heartwarming beautiful video about the faculties of OCP and further conducted a Quiz Competition for the teachers. The teaching and non-teaching faculties were divided into 4 groups and were quizzed on topics ranging from academics to Bollywood. All of us enjoyed the event. Quiz was followed by the cake cutting ceremony. All the staff members were gifted with a diary and a seed pen as a token of love by the students. At OCP we follow the eco friendly approach, hence the students opted to gift a seed pen to show their respect towards Mother Nature.

The day ended by the Vote of Thanks proposed by the General Secretary, Ms. Navya Unnikrishnan. It was a memorable event.

Every year 14 September is celebrated as Hindi Day. This day highlights the importance of the Hindi language and inspires the younger generation to adopt the Hindi language more. The Constituent Assembly of India adopted Hindi, an Indo-Aryan language written in the Devanagari script, as the official language of the country in 1949. Jada Nehru, the first Prime Minister of India after 1949, decided to celebrate Hindi Diwas on 14 September every year.

Seeing the appropriateness of this day, Hindi Day was organized in Oriental Pharmacy College. The commentator of the program, Kumar Gopesh Paul, started the program by welcoming all the teachers and dignitaries while explaining the importance of Hindi Day. On the occasion of Hindi Day, the Student Council of Oriental College organized two competitions, in which the first competition was to explain the meaning of Shri Sant Kabirdas ji by reciting it. A total of 17 students participated in this competition. Everyone presented the couplets of Saint Kabirdas along with their meanings in very simple and beautiful language. In this competition, Og Singh of second year got first rank, Deepak Mishra of fourth year got second rank and Tejal Munjal of third year got third rank.

An act competition was also organized on this occasion. The theme of this competition was "The role of social media in human life." A total of 14 students of member colleges participated in this competition and expressed their views about the importance of social media in our lives and its ill effects. In this competition Archana Bhale of third year got first rank, Jog Singh of second year got second rank and Deepak Mishra of fourth year and Shivani Mishra of second year got third rank.

On the occasion of this program, while talking to the Principal of the college, Dr. Sudha Rathodji, she explained the importance of Hindi language and couplets of Saint Kabir ji in our daily life. In the end, all the ranked students were honored by giving them certificates and cash and all the participating contestants were honored by giving them certificates. College General Secretary Kumari Navya Unnikrishnan concluded the function by expressing her gratitude to all the dignitaries present and all the teachers and students of the college. The contribution of every member of the student council was important in the success of the function.
