Subject: National Students Paryavaran Competition (NSPC)

Climate control is the top agenda under the leadership of our Hon'ble PM. It is now a well-established fact worldwide that concerted efforts are required for climate control to avoid further degeneration which may result in irreversible consequences. The ministry of Environment, Forest and Climate Change had organized National Students Paryavaran Competition (NSPC) under the aegis of Paryavaran Sanrakshan Gatividhi (PSG), which was scheduled from 1st July, 2023- 21st August, 2023. The objective of this program was to succeed in creating awareness amongst students to comprehend in depth the complexity of looming dangers of uncontrolled climate devastation.

64 students from Oriental College of Pharmacy enthusiastically participated in the competition. All of them received certificates for participation.

10 students and eco club incharge got certificates for their outstanding performance in the competition.

Oriental College of Pharmacy got certificate for its participation in this awareness drive.

The competition did not take any monetary registration fees, rather they requested to sow seeds as the registration fees. With regards to this an initiative of tree plantation was undertaken in OCP in the medicinal garden. Principal of OCP Dr. (Mrs.) Sudha Rathod and other profs took part in the same.
