Message from Placement Cell

- *Each member of our placement cell brings unique skills, expertise, and passion to the team, contributing to the success of our endeavors. From organizing career fairs and networking events to providing personalized guidance on resume building and interview preparation, we are committed to equipping our peers with the tools they need to thrive in today's competitive job market.*
- *As a cohesive unit, we collaborate closely with faculty, alumni, industry partners, and other stakeholders to expand our reach and enhance the impact of our initiatives. Together, we strive to foster a culture of continuous learning, growth, and professional development among our student body.*
- *We are committed to upholding the highest standards of excellence and ensuring that every student has the opportunity to realize their full potential.*

ORIENTAL EDUCATION SOCIETY
An Education Consortium

ESTABLISHMENT

- ❖ Oriental Education Society (OES) was established in the year 1992 under the dynamic leadership of a well known educationist and former Education Minister of the Government of Maharashtra, **Late Prof. Javed Khan**.
- ❖ The objective of this society is to provide quality education for excellence with fine exposure to practical knowledge of industry and business houses.
- ❖ The aim of our President is to provide professional education to budding young aspiring talent for global opportunities.

Vision- Mission of Oriental College of Pharmacy

5

Visión

Create competent pharmacy Graduates to contribute in the development of healthcare profession

Mission

- To Create Pharmacy Graduates through Motivated and Experienced Faculty supported by good Infrastructure
- To Encourage students and faculty towards research in the HealthCare Profession
- To Inculcate the social values and responsibilities for the betterment of community healthcare
