MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 18TH DAY OF –October – Two Thousand and Twenty One (2021), by and between

Oriental Education Society's Oriental College of Pharmacy, Plot No. 3,4,5, Sector 2, Sanpada (W), Behind Sanpada Railway Station, Sanpada, Navi-Mumbai – 400705, THE FIRST PARTY represented herein by its **Dr.(Mrs.) Sudha Rathod, Principal, Oriental College of Pharmacy** (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Alarsin Pharmaceuticals, Alarsin house, A/32, Street no. 3, opp. ESIS Hospital, M.I.D.C, Andheri(E), Mumbai- 400093. (India) Post Box no. 9444 THE SECOND PARTY, Mr. Mahesh Atale, Technical head, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

- A) First Party is a Higher Educational Institution named:
- (i) **Oriental College of Pharmacy**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) – **Alarsin Pharmaceuticals** – , the Second Party is engaged in:
- a) **Manufacturing:** Alarsin is having 2 units, one at MIDC, Andheri, Mumbai and other at GIDC, Pandessara Gujarat. Manufacturing units are GMP certified ensuring the end product is free from contamination, that it is consistently high in quality and that our manufacturing process are well documented, personnel are well trained, and the product is checked for quality from batch to batch and not just at the end phase. Raw herbs, after being passed by the quality department are subjected to huge pulverizer, granulators, punching, heating, drying etc. Thus, finally a tablet is produced, packed and shipped.

- b) **Production:** Standard Operating Procedures are laid and production is carried out strictly with respect to these SOP's. The key points that make their production unique: Purchasing of the raw materials is done from selected suppliers ONLY. They have strict Quality Control Testing methods and each raw material is cleared for production only when it passes the

c) QA/QC: Alarsin has a well-equipped analytical lab which works along with the production department to ensure superior quality of each product. High standard quality is maintained in each process and a separate quality control department exists to maintain quality at each junction right from procurements of raw materials to packing and dispatching. After completion of the finished product, the completed product undergoes detailed analysis and only then is released for packing. Packing material are also tested for their specifications and only quality cleared packing material are released for further process. Every batch of each product is monitored by QC, samples are collected and again subjected to complete analysis. Thus, assuring perfect quality even after packing. Samples are also tested for their stability study during and after expiry period.

– **Alarsin Pharmaceuticals** – , the Second Party is promoted Dr. Naratomdas V Patel, in 1947 realized the need of sharing his experience of using herbal mixtures in his routine practice. In his professional arena he noticed the advantages of using certain herbs which would give excellent results, especially in habitual and threatened abortions and premature births. Mr. Keshavlal Patel, Dr. N.V. Patel and Mr. Upendra Alamula in 1947 incorporated Alarsin with an ideology to serve the human kind with right and pure drugs. Since 1947 ,Alarsin has introduced around 14 brands for disease where there are no satisfactory drugs in the modern medicine. If there were drugs, their usefulness was limited because of their toxicity, side effects, contra-indication or sensitivity particularly for long term treatment.
