Research Culture: Support to Students in Research Activities

Research Support Policy: Rs. 1500/- per student for B Pharm Project

Monday, November 18, 2019

To,
The President/General Secretary,
Oriental College of Pharmacy,
Navi Mumbai

Subject:
**To allocate Rs 1500 per student for B. Pharm Final Year Project-
Proposal-Request/Regarding**

Dear Sir/Madam,

With all due respect, we the undersigned would like to inform you that there is a project to be completed by B. Pharm Final Year student, in 8th Semester, in a group of three or four, as per the guidelines of University of Mumbai. (Clause 2.1.3 in the attached sheet) *The marks are 200.*

There will be evaluation of project by the examiner appointed by University of Mumbai. (Clause 3.2.4 in the attached sheet)

In this regard, a meeting of Faculty members was held and unanimously was decided to ask for project fund. Therefore is requested to allocate Rs 1500 per student for B. Pharm Final Year Project.

There are sixty six students in B. Pharm Final Year and are divided into 17 groups. Each group contains either three or four students. Each group will be guided by the existing faculty members. (Sheet attached)

The amount goes as $66 \times 1500 = 99,000/-$

You are kindly requested to sanction Rs 1.00.000/-

A Ten Point Policy for Project Budget for B.Pharm Final Year is being attached for your kind concern.

This is for your kind information and necessary action.

Thanking you,
Yours truly,

Sudha Rathod

Ten Point Policy for Research Support

Monday, November 18, 2019

Ten Point Policy for Project Budget for B.Pharm

The Rs 1500 per student will be utilized under following heads

1. To purchase crude drug.
2. To purchase chemical (if not available in the college).
3. To purchase glassware (if not available in the college).
4. For field work/travelling within Greater Mumbai/Navi Mumbai/Thane by bus or local train in second class. Every student will be given not more than Rs 200/-
5. For stationary, in typing printing and spiral binding. Every student will be given not more than Rs 300/-
6. For characterization by IR, NMR, Mass, GC-MS, LC-MS and HPTLC. Every student will be given not more than Rs 500/-
7. For publication of paper in suitable journal. Every student will be given not more than Rs 500/-
8. A group of three student can avail maximum Rs 4500/-
9. A group of four student can avail maximum Rs 6000/-
10. Miscellaneous changes above Rs 1500/-, if any, will be borne by the student individually.

2.1.2 Seminars

Seminar is a requirement for M. Pharm. Seminar is a course wherein under the guidance of a faculty member a learner is expected to do an in-depth study in a specialized area by doing survey of published technical literature, understanding different aspects of the problem. While doing this, the learner is expected to critically analyze works of various authors /researchers, learn the investigation methodologies, study concepts, techniques and the results presented in these papers, and present a seminar. It is mandatory to give a seminar presentation before a panel constituted for the purpose as mentioned in syllabus / curriculum manual, in order to earn the prescribed credits as indicated in the curriculum.

2.1.3 Projects/Dissertations

B. Pharm Project : A Project is a requirement for the B. Pharm. degree; wherein under the guidance of a faculty member, a group of not more than five learners in the eighth semester, is required to do some innovative work with the application of knowledge gained while learning various courses in the earlier years. The learner/s is/are expected to do a survey of literature in the subject, work out a Project plan and carry it out through survey, experimentation and/or modeling / computation. Through the Project work the learner has to exhibit skills for both analysis and critical thinking. The complete details of the project have to submitted as a report of not less than 25 pages (A4, 1 inch margins, single line space, font Times Roman, font size 12, excluding count of reference pages) to the College before the prescribed date. The credits assigned for Project is 6 credits.

M.Pharm. Dissertation: Dissertation / Project is a mandatory requirement in the post-graduate programme. The Dissertation/Project is spread over one year duration, normally starting from the third semester and ending with the fourth semester. These are essentially research and development projects, where a learner trains him/herself, under the guidance of supervisor/s, in

FOR Non University Exam System (NUES) subjects, i.e. Seminar and Experimental Techniques in Pharmaceutical Sciences, of the M. Pharm. programme, the question papers for NUES courses will be set by examiners and paper-setters appointed by principals of the institutions/colleges and will be evaluated at the institutional level following the same pattern as that for other theory subjects and marks and grade will be forwarded to the university. Both these subjects will not be considered for calculation of CGPA.

✓ 3.2.4 Modes of Evaluation for Projects/Dissertation

B. Pharm. Project: This project is supervised or guided, and need regular interaction (at least once a week) with the supervisor/guide. Project group has to submit a project report and defend it in front of a panel of examiners. Evaluation of Project will be conducted by two examiners. One examiner shall be the Internal examiner (guiding teacher). The second examiner will be an External examiner who will be appointed by University. The examination shall be as follows:

A. Evaluation of Project Report:

Objective(s) of project	20 Marks
Methodology adopted	30 Marks
Results and Discussions	25 Marks
Conclusions and Outcomes	25 Marks
Total	100 Marks

B. Evaluation of Presentation:

Presentation quality (audio-visual, content, format)	30 Marks
Verbal presentation quality/Communication	25 Marks
Viva and critical discussion	45 Marks
Total	100 Marks

NOTE: The 100 marks assigned to the project report shall be same for all the students in a group. But, the 100 marks assigned for presentation shall be awarded based on the performance

[Handwritten signature]

of individual students in the given criteria. Both the examiners shall each give marks out of 200 marks assigned to the project and their individual marks shall be averaged to give the final marks. The dates for submission of reports, the dates for presentations are to be scheduled as per the guidelines of University and details of mode of assessment are given in the curriculum manual.

M. Pharm. Dissertation: For evaluation of Dissertation, a learner has to submit required number of hard bound Dissertation/Thesis reports to the respective section of University.

Writing the thesis

The thesis will be typed using Times New Roman font, size 11, 1.5 line spacing, with all headings/subheadings in bold.

The thesis will be of maximum 125 pages and composed in the following manner

Chapter 1 – Introduction. This should be limited to about 30 pages and will describe all background information of the research described in the thesis.

Chapter 2 – Aims and objectives, limited to 2 pages.

Chapter 3 – Plan of Work, limited to 4 pages

Chapter 4 – Experimental. This section should preferably include only the optimized experiments from which the inferences and conclusions were drawn.

Chapter 5 – Results and Discussion, this should constitute 40 to 50 pages of the thesis.

Chapter 6 – References. This should be in ACS format. Refer to Ch. 14 *In The ACS Style Guide*; Coghill, A., et al.; American Chemical Society: Washington, DC, 2006.

If any deviations are found in the style of writing the thesis, the thesis is liable to be rejected by the University.

Scheme of assessment for Thesis

Assessment	External Examiner	Internal (Guiding Teacher)	Total
	50	50	100

The *viva voce* examination on the thesis submitted by the learner will be done according to Table 4. Both the external examiner and PG teacher shall jointly examine the student on the research work compiled in the thesis and will separately allot marks based on the following parameters:

Respected Sir,

This is to certify that Aakansha Patil, Abhay Jadhav, Rutik Hajare, are bonafide students of this college in the final year class. This certificate is issued at their request for final year project regarding the Evaporation processes.

We are writing to seek your permission to utilize the facilities of your laboratory for a project work that we are currently undertaking.

The project we are working on requires access to specialized equipment which are Freeze dryer and Vacuum rotary evaporator and resources that are available in your laboratory. We assure you that our project work will adhere to all safety protocols and regulations prescribed by the college. We understand the importance of maintaining cleanliness, orderliness, and safety within the laboratory premises, and we are committed to upholding these standards throughout the duration of our project. Furthermore, we are willing to abide by any additional guidelines or requirements set forth by you or the laboratory staff. We are also open to scheduling our work in a manner that minimizes disruption to other ongoing activities in the lab.

Thank you for considering my request.

Subject: Report of One Day Seminar on 'NAAC: Strengthening Seven Criteria Pillars for Positive Outcomes' at VESCOP on 4th Nov 2023.

Respected Madam,

I have attended One Day Seminar on 'NAAC: Strengthening Seven Criteria Pillars for Positive Outcomes' at VES's College of Pharmacy on 4th Nov 2023.

There were many important points which have been discussed. VESCOP very generously shown the practices adopted by them.

Some points may be useful for us like, When NAAC peer team visits- Principal, NAAC coordinator and IQAC coordinator should escort them.

Arrange good vehicle (Innova) for them. Team will not ask questions, we have to show and display information as much as possible.

The Principals PPT or the PPT which has all information of college should be printed and give handouts to team this will help them to prepare report.

At evening organize some beautiful cultural events, for this we can organize theme based programs of the year, like meri maati mera desh, aazadi ka amritmohatsve etc

Welcome the team with some songs, lejhim etc.

Display best practices posters in premises.

The important message is "TEAM WORK- is the key ..."

Here are some key takeaways from the seminar,...

1. The Principal, NAAC coordinator and IQAC coordinator should escort the NAAC peer team during their visit.
2. Ensure comfortable and modern transportation (like Innova) for the visiting team.
3. Be prepared to showcase/ display our institution's strengths and initiatives, as the peer team may not ask questions but expect us to provide relevant information.

PRINCIPAL
ORIENTAL COLLEGE OF PHARMACY

ORIENTAL EDUCATION SOCIETY'S
ORIENTAL COLLEGE OF PHARMACY

(Approved by AICTE, PCI, D.T.E., Affiliated to University of Mumbai & Certified by ISO 9001:2008)

4. It is good if we can provide a printed PPT presentation or a comprehensive handout about college it will help the visiting team in preparing the report.
5. Organize some beautiful cultural events at evening may be based on a govt theme of the year, to make the visit more memorable and enjoyable. Themes like "Meri Maati Mera Desh" or "Azadi Ka Amrit Mahotsav" could be used.
6. Welcome the team with songs and traditional dance performances like "Lejhim" etc.
7. Display posters of the best practices adopted by OCP.
8. The central message is that "TEAMWORK" is essential for achieving success in the NAAC accreditation process.

The seminar provided with valuable insights on how to make the NAAC accreditation process more efficient and impactful. Implementing these suggestions can help our institution put its best foot forward during the peer team's visit and enhance chances of receiving a favourable assessment.

I have clicked some photos of important PPTs. I converted these PPTs into PDF and shared with all faculties. This will be definitely useful for respective criterion.

Overall it was a good learning experience.

Thanking You,

Yours Sincerely

ONE DAY WORKSHOP

3D PRINTING TECHNOLOGY: FUTURE OF PHARMACEUTICAL INDUSTRY

Saturday, 16th March 2024

Objective:

provide exposure to Customized Drugs, Organ Chip – Microfluidics and Drug testing with 3D printing.

gain basic know-how of the CAD Modelling, materials and 3D Printing process.

Workshop content

- ❖ Introduction to 3D Printing in Pharmacy
- ❖ Technology Showcase
- ❖ Case Studies
- ❖ Panel Discussion : Policy makers, Researchers Pharma Industry and 3D experts.

IMPORTANT DATES

Early Bird Registration: 15th February 2024

Last date of Registration: 07th March 2024

Who should participate?

Students and Faculty from all branches of Pharmaceutical Sciences, Biomedical Engineering, Chemistry, Material Sciences, Tissue Engineering, Life Sciences domains.

Industry Professionals, Researchers and Start-ups in Pharmaceutical, Biomedical, Material Science industry

Pharmaceutical Makers, 3D printing experts, Microfluidics experts and others.

Benefits for participants:

- ❖ Exposure to cutting-edge 3D technology
- ❖ Demonstration of 3D printing equipment
- ❖ Enhanced understanding of the role of 3D printing in pharmaceutical research and development
- ❖ Networking opportunities with industry experts

PRINCIPAL

ABOUT ORGANIZERS

ABOUT INSTITUTE

ombay College of Pharmacy (BCP) is a pioneer institution in Pharmaceutical education in India. CP was founded in 1957 by the Indian Pharmaceutical Association- Maharashtra State Branch (IPA-MSB). The institute offers Bachelors, Masters and Doctoral programs of study in Pharmaceutical Sciences. BCP has a DST-recognized National Facility for Research and Training that is equipped with various sophisticated instruments for characterization of pharmaceuticals and other products. The Department of Pharmaceutics is engaged in highly collaborative and collegial environment for empowering the students with knowledge and skills for outstanding careers in pharmaceutical industry, academia, regulatory agencies, and research institutions. Faculty of the Pharmaceutics Department are involved in cutting-edge, multidisciplinary and translational research in advanced drug delivery system.

ABOUT 3D GRAPHY LLP

3D GRAPHY LLP is a consortium of 3d experts promoting 3D technology in India for last one decade to educate dental and medical fraternity to benefit from the technology. It was inaugurated by the former minister for industries in 2018. The primary goal is to conduct training, events and offer innovative platforms including services. 3D GRAPHY LLP – is the one of the first company in India to have activated different platforms. The platforms include 3D GRAPHY ASSOCIATE CORPORATE MEMBERSHIPS, 3D GRAPHY EVENTS, 3D GRAPHY NEWS, 3D GRAPHY TRAINING, 3D GRAPHY SHOP MART, 3D GRAPHY LAB & 3D GRAPHY HUB. 3D Technologies we are currently promoting includes 3D Printers, 3D Scanners, 3D Imaging, 3D Design, 3D Software, 3D Simulation, 3D Visualization – Augmented reality, Virtual reality, Mixed reality and 3D Printable Materials both in polymer and metal. All the details can be found in the company website WWW.3DGRAPHY.IN

Subject: Report of One day workshop on 3D Printing Technology: Future of Pharmaceutical Industry at Bombay College of Pharmacy on 16th March 2024.

Respected Madam,

I have attended one-day workshop on 3D Printing Technology: Future of Pharmaceutical Industry at Bombay College of Pharmacy at Bombay College of Pharmacy, Kalina, Mumbai on 16th March 2024.

The details of the workshop are as follows:

The Registration process started sharp at 08:30 am on 06/03/2024, followed by Inauguration & Welcome Address at 09:00 am by various renowned personalities of BCP like Dr. Krishna Iyer Principal, also by the guest of honours like Dr. Prakash Katakam, Professor & Principal of Indira College of Pharmacy, Maharashtra, Associate Professor & HOD of Indian Institute of Technology, Hyderabad, Dr. Falguni Pati, Dr. Yughandar Arcot, Microfluidics Engineer & Designer, Bigtec Private Ltd., Dr. Pallab Datta, Assistant Professor, National Institute of Pharmaceutical Education and Research, Kolkata and Mr. Manish Amin, Director, Avay Biosciences Pvt. Ltd., Bengaluru.

Session started from 09:30 am on the topic 3D Printing for customised drug manufacturing by Dr. Prakash Katakam, Professor & Principal of Indira College of Pharmacy, Maharashtra. Second session started at 10:00 am on the topic 3D Printing for Microfluidic devices by Dr. Yughandar Arcot, Microfluidics Engineer & Designer, Bigtec Private Ltd. Third session started at 10:30 am on topic 3D Bioprinting for Biomedical applications by Dr. Falguni Pati followed by Tea & Coffee break.

After break session started by 11:30 am by Dr. Pallab Datta, Assistant Professor, National Institute of Pharmaceutical Education and Research, Kolkata on the topic 3D Bioprinting for Pharmaceutical industry. Last session of the day started at 12:00 pm by Mr. Manish Amin, Director, Avay Biosciences Pvt. Ltd., Bengaluru on the topic 3D Bioprinting for Engineering complex human tissue equivalents and drug testing followed by lunch.

Permission to attend Seminar/Symposium/Conference/Congress/Workshop/FDP/QIP-Req

Dear Sir,

I, Pr/Mr/Mrs/Ms. Alveera Zubair Ansari

Principal Professor Associate Professor Assistant Professor

would like to attend Seminar/Symposium/Conference/Congress/Workshop /FDP/QIP, entitled,
"3D printing Technology Future of Pharmaceutical Industry."

The dates for the programmes are from 16/02/2024 to 17/02/2024

So the program is of one day two days three days one week two weeks

I kindly request to permit attend Seminar/Symposium/Conference/Congress/Workshop/FDP/QIP

I also request for financial assistance against Registration Fee and other which is approximately,

Rs. 2000/- (in figure) Two thousand rupees only/- (in words).

I hereby state that I fulfill following conditions and ready for (Please insert as Y/N in block)

- 1- I am approved faculty member of OCP.
- 2- I complete three years of teaching experience with OCP.
- 3- I will submit the certificate of attendance immediately after return.
- 4- I will complete the syllabus in due course of time after attending program.
- 5- I will give information about program in writing to college if possible deliver it.

Thanking you,

Yours truly

Alveera

Report on
IRISE ECR Capacity Building Workshop
Organized by University of Mumbai

May 29 - 31, 2024

Venue: MU IDEAS Foundation Incubation Center, Green Technology Auditorium,
University of Mumbai, Kalina, Santacruz (E), Mumbai

DAY 1

May 29, 2024:

Theme 1: Industry Readiness

Essential Toolbox: Soft-Skills and Basics of Intellectual Property for Transitioning Academics
Dr. Anuradda Ganesh - Senior Advisor (Technical), Cummins India Ltd, Adjunct Professor
IIT Madras

The Speaker detailed on the readiness of the researcher/ academia for collaboration with
the industry through the topic Navigating the Transition: From Academia to Industry
Leadership - Essential Traits for Success

**Essential Skills for Modern Researchers: Academic Intellectual Property Management and
Technology Commercialization**

Mr Ashutosh Prachand, Director, Leidenfrost Innovations Pvt. Ltd.

The speaker detailed on

- Introduction to Intellectual Property (IP) and Intellectual Property Rights (IPR)
- Distinguishing Between Invention and Innovation
- Understanding the Business Implications of Intellectual Property (IP)
- Key Considerations for Scientists in Generating Intellectual Property (IP) from Scratch
- Developing IP Strategies: Perspectives from Industry and Academia
- Commercialization of Intellectual Property (IP)

SR
PRINCIPAL
ORIENTAL COLLEGE OF PHARMACY

DAY 2

May 30, 2024.

Theme 2: Problem Solving

Systematic Innovation Roadmap: From Problem Clarity to Creative Solutions

Mr Ashutosh Prachand, Director, Leidenfrost Innovations Pvt Ltd

The speaker spoke about

Exploring Systematic Innovation for Idea Generation

- Introduction to the Innovation Process
- Deciphering the Language of Innovation: Functionality and Ideal Final Result (IFR)
- Understanding Your Product and its Component Interactions
- The Ideation Process
- Exploring Beyond Boundaries: Seeking Solutions Outside Traditional Domains

Identifying the Problem- Getting to the Heart of the Matter

- Root Cause Analysis: Identifying Specific Problems
- Utilizing Patents for Problem Identification
- Characterizing Problems and Applying Innovation Tools
- Tools for Modeling and Analyzing Complex Problems
- Hands-On Exercise: Practicing Problem Identification

Developing a clear problem statement - Frameworks and Best Practices

- Frameworks for Defining Problem Statements
- Exploring 40 Inventive Principles and 39 Parameters
- Effective Brainstorming to generate meaningful ideas
- Assessing the Patentability of Your Idea through Patent Analysis
- Hands-On Exercise - Live Patent Search

Solving research problems with systematic innovation

- Generating Patentable Ideas through Systematic Innovation

SV
PRINCIPAL

- Scrutinizing Ideas for Viability and Effectiveness
- Rules and Strategies for Systematic Innovation
- Hands-On Exercise: Applying Systematic Innovation Techniques

DAY 3

May 31, 2024:

Theme 3: Communication

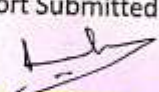

Effective Communication: Fine-Tuning Professional Conversations

Ms. Prachi S Mamdapur, Founder, Aspire Upskilling, Certified 6 Sigma Expert

- Understand the Building Blocks of Effective Communication
- Learn various facets of communication -Type of communication,
- Importance of communication in an organization
- Build confidence and rapport through your communication
- Handling Difficult Conversations; communication barriers
- Active Listening
- Soft skills
- Assertive Communication
- Business Storytelling during presentation

The workshop ended with feedback Session and Valedictory Function
