Everything is good

Good

Nothing much to say

Teacher teaching techniques are effective.

Improve Everything 😊

No suggestions, college is giving well from their side in teaching and learning

More advance techniques can be used to engage student.

Teacher's should co-operate more. Teacher's should solve one-on-one doubts.

- 1) Flexible Learning Options
- 2) Peer Learning Opportunities

1. Instead of projectors black boards can be used for explanation.
2. Feedback is the most important thing because it can help teachers to improve their teaching and support their students.

Dr. (Mrs.) Sudha Rathod
Principal
Oriental College of Pharmacy
Plot No. 3, 4 & 5, Sector-2,

S. Rathod

3. Teachers should focus on students interest about the topics which the students are enjoying in learning and understanding it.

Teacher need to understand students problem.

Need to listen students.

Need to learn teach in some effective and easy way with example of daily life.

Some teachers Speed of teaching is so fast.

Board teaching methods

Tests

Personal interaction

Promote active learning methods like group discussions, case studies, and project-based learning.

Continuous Assessment and Evaluation.

Teachers should make students updated with latest advancements in the field.

Use better graphics and visual media to engage with students well.

Spend time with them individually .

Make an effort to get to know and connect with each student.

Overall excellent

Good communication skills

Everything is processing in a good way so far, all the teachers and other staff members are supportive, encouraging and well-behaved. All the teachers are available anytime required, solve all the queries and doubts of the students efficiently. All of them teach well. The overall teaching-learning experience is excellent.

"Is the student interested in the topic or not?"

"Teacher takes feedback from students after teaching"

"Use of Green Board instead of Projector"

Teachers should be teach in students understanding level or in their understandable language

Some extra physical activities also be added

Teach them about psychology of mind in some extra classes

No suggestion from my side.... overall good.

The faculty is super friendly and approachable and there is no further suggestions from my side

Can improve in interactive learning tools and teacher training programs .

1. Incorporating Active Learning Strategies

2. Giving less notes to write

3. Providing Timely and Constructive Feedback

No suggestions overall teaching and learning is better

S. Rathod
Dr. (Mrs.) Sudha Rathod

Oriental College of Pharmacy
Plot No. 3, 4 & 5, Sector-2,
Sanpada, Navi Mumbai

Teachers are very cooperative especially my class teacher. He is so supportive and helpful whenever I ask anything or any doubt.

1. Question and answer session in the class after completing one topic
2. Teachers encourage us all the time
3. A trip needed to refresh ourselves

Interact with each and every student

1. Explaining concepts in detail
2. Concentrating on easy explanation
3. Making explanation interesting

1. More use of blackboard
2. Be interactive with students
3. Take more revision

Teachers need to keep the class engaged and conduct tests before exams, they should follow ways to not make the subject boring, scrolling ppt in class is not enough which some of the teacher's do they should teach us as well

1. doubt clearance session
2. topic wise assignments

1. More activity based learning can be done
2. More industrial visits can be done

Upgradation of laboratory equipments
Need of more extracurricular activities

Giving basic knowledge regarding the topic to understand the further portion.

Better Ways of Explaining Concept
More transparency between students and teachers
Promoting Skills of Students

The teachers of some subjects should change and improve their teaching techniques

All is good

Teach in easy language with example
Not ask a question before teaching the topic

Average

Using examples while teaching
Discussing assignment marks
Encouraging to participate in extra curriculum activities

Need more practical knowledge than theoretical knowledge

To increase Field visit
Cultural events
Soft skills development

All teacher's teaching skills are good .no need of suggestions

Collaborative learning
Time management
Innovation

Nothing as such

Encourage students to feel motivated
More practical learning should be conducted

Increasing break would increase efficiency
Class test should be planned by comparing other class test
Assignments should be digitalized in form of presentation

More communication with students

Focus on the learning how to explain the concept to students very well

The overall teaching-learning experience is satisfactory.

Should provide notes during lecture

Discussion of assignments

Conduct tests

-Promote Active and Engaging learning
-Regular Feedback mechanism

Better teacher student communication
More focus on overall development

College need to include more sports activities related to online and offline gaming

Everything is good.

Experience, extracurricular activities, learning

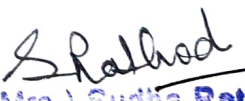

Promote extra curricular activities more, better communications with the students

1) Activities should involve during teaching

Use it tools such as lcd projector, multimedia

Nope

Dr. (Mrs.) Sudha Rathod
Principal
Oriental College of Pharmacy
Plot No. 3, 4 & 5, Sector-2,
Sanpada, Navi Mumbai.

- 1) All are well experienced faculty and taking every effort to teach well
- 2) Always supportive and encouraging.
- 3) And try and arrange visiting faculty lecture and seminar

E

Overall student development

could focus a bit more on attention to students who are weak in specific areas

No suggestions

No suggestion required

Increase student's interaction, may improve concept delivering, IV visit should be conducted more

Student interaction increase, more evaluation test should be conducted

All is good

More training programmes regarding jobs and overall development
Digital skill used in pharmacy

Increase in student interaction
Teachers should be more interactive

There is no need of improvement in teaching as they do very well

Teachers Can communicate with students more friendly

I think as of now i don't have much suggestions because teachers are doing a very good job

Use more examples to explain

Include extra activities

Teaching can be done in a basic way to recall or understand the topic in a better way

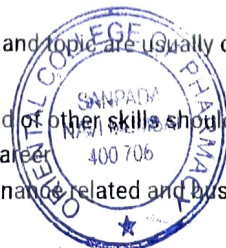

Teacher should interact more with student

The knowledge of the teachers r excellent but it is sometimes seems that they can't able to convey it properly....

Experience is good with teachers and topic are usually completed

1) To guide students like what kind of other skills should students learn other than curriculum but related to it to improve their career

2) College should also focus on finance related and businesses education atleast the basic

S. Rathod
Dr. (Mrs.) Susha Rathod
Principal
Oriental College of Pharmacy
Plot No. 3, 4 & 5, Sector-2,
