

## Comprehensive Healthcare Services for Student & Staff Well-Being

At Oriental College of Pharmacy (OCP), we prioritize the health and well-being of our students, faculty, and staff by providing comprehensive healthcare facilities within the campus. Our well-equipped medical services ensure timely medical assistance, preventive care, and emergency support.

### 1. On-Campus Health & Medical Services

- **Ambulance Service (24/7)** – Ensuring emergency transportation to nearby hospitals.
- **Jan Aushadhi Pharmacy Store** – Providing affordable generic medicines as part of the Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP).
- **Emergency First Aid Box**– Strategically placed across the campus for quick medical response.
- **Sick Room**- A sick room or first-aid facility is a dedicated space designed to provide a comfortable and safe environment for students or staff needing rest or isolation due to illness or minor injuries.

### 2. Preventive Healthcare & Wellness Initiatives

- **Routine Health Check-ups** – Regular screenings for students and faculty to monitor overall health.
- **Disease Awareness Drive - Human Metapneumovirus** – To address the disease awareness drive for Human Metapneumovirus (HMPV), here's a guide on understanding the virus, its symptoms, transmission, and prevention: HMPV is a common respiratory virus, primarily affecting children and the elderly, causing mild to severe respiratory infections.
- **Mental Health & Counselling Services** – Professional counselors and psychologists to support mental well-being.
- **Blood Donation Camp** – The primary purpose of a blood donation camp is to collect blood from healthy donors to ensure a readily available supply for patients in need, while also promoting awareness about the importance of blood donation and encouraging community participation
- **Sanitary Napkin Vending Machines & Disposal Units** – Ensuring menstrual hygiene support for female students.
- **Naturopathy** - Is a holistic approach to healthcare that focuses on natural remedies and therapies, emphasizing the body's inherent ability to heal itself

### 3. Hygiene & Safety Measures

- **RO Drinking Water Facilities** – Safe and clean drinking water across the campus.
- **Well-Maintained washrooms** – Separate hygienic restrooms for students and staff.
- **Strict Sanitation Protocols** – Regular disinfection of classrooms, labs, hostels, and common areas.

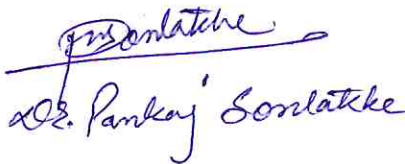

#### 4. Student Health Insurance & Emergency Response

- **Health Insurance Coverage** – Offering group health insurance for students and staff, covering medical needs and hospitalization.
- **24/7 Ambulance Support** – Available for **medical emergencies and referrals** to higher medical centres.
- **Medical ID Cards & Health Records** – Digital records for easy access to medical history.

#### 5. Holistic Health & Wellness Programs

- **Yoga & Wellness Sessions** – Promoting physical and mental well-being.
- **Awareness Programs on Nutrition & Lifestyle** – Educating students on healthy living and disease prevention.
- **Workshops on First Aid & Basic Life Support (BLS)** – Training students and staff in emergency response techniques.
