

Our Hostel

There are well-furnished hostel dormitories. The College has hostel facilities for both boys and girls separately. There are no compromises in the quality and standards of the living space and the facilities provided. The hostel facility helps the students in utilizing their valuable time for studies and revisions during their tenure. Each student is provided with a cot and a cabinet to keep his belongings separate. The toilets and bathrooms in the hostel are hygienically maintained by the hostel staff. All rooms in the hostel are well-ventilated, aerated, and furnished with study tables, chairs, fans, fluorescent lights, lockers, cupboards, wall hangers, and shoe racks. Students are allowed to use their air coolers during summer without any extra electricity charges the entire hostel is under the surveillance of CCTV, Solar Water heater, RO System for drinking water, Wi-Fi connectivity, and Indoor games facilities are available for all the inmates regularly checked by the wardens. All the employees of the girl's hostel including cleaning, sweeping, and washing are female employees only. There is 24/7 security at the hostel. There is 24/7 security for the hostel wardens the hostel is very compassionate and experienced and looks after each ward's welfare.
