The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by Ministry of Youth Affairs & Sports, Government of India, popularly known as NSS was launched in Gandhiji’s Birth Centenary Year 1969. Aimed at developing student’s personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at intermediate level working for a campus-community linkage. The cardinal principle of the NSS programme is that it is organised by the students themselves, and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation-building.

Motto:

The Motto of NSS “**Not Me but You**” reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students develop appreciation to other person’s point of view and also show consideration to other living beings.
