Event Report: Skit Presentation on Water Conservation

Organized by: UNICEF (Green Club), Oriental College of Pharmacy

Date: February 01, 2025

Venue: Oriental College of Pharmacy, Sanpada, Navi Mumbai

The UNICEF (Green Club) Committee of Oriental College of Pharmacy organized an impactful skit presentation on **February 01, 2025**, aimed at **raising awareness about water conservation and promoting sustainable water usage practices**. The event was thoughtfully conceptualized to emphasize the urgency of preserving one of our planet's most vital resources—**water**.

The skit was performed by the talented **B.Pharm students**, who delivered a **meaningful performance** that highlighted critical issues such as **the wastage of water, the significance of mindful consumption, and the long-term consequences of unsustainable practices**. Through a mix of **realistic scenarios, powerful dialogues, and engaging storytelling**, the students effectively communicated the message of water conservation to the audience.

The event was well-received by both **students and staff members**, who appreciated the performers' **creativity, awareness, and sense of responsibility**. The skit succeeded in sparking thoughtful conversations among the attendees about the role each individual plays in conserving natural resources.

The initiative was conducted under the **guidance and support of Principal Dr. Sudha Rathod**, whose encouragement has always motivated students to take up socially relevant causes. The **UNICEF (Green Club) Committee members** worked diligently to organize the event and ensure its smooth execution.

Overall, the event was a **resounding success**, fostering environmental consciousness within the college community and encouraging students to be proactive in safeguarding the environment.
