Date	30 th March 2024	Department /Committee or Faculty	Women's development committee
Venue	Seminar hall and ground	Time	3.30 pm
Nature of Activity (Indoor/Outdoor)	Indoor	Total number of Participants	47

Activity Information:

Objectives	Karate training is a life skill that helps girls to be more aware of their surroundings and be prepared for the unexpected at any time. Through the self defence training, the girls are taught to become psychologically, intellectually and physically strong enough to protect themselves in times of distress	
Methodology or Brief summary	themselves in times of distress. On 30 th March, 13 th April and 20 th April 2024 (3 days) Karate workshop was taken for first year and second year girl students under Women development committee. Mr.Mohit Tupone, Shotokan Karate Self Defence Association International Gold Medalist was invited as a coach for karate session 47 total girls had participated in the workshop.	

Principal
Oriental College of Pharmacy
Plot No. 3, 4 & 5, Sector-2,
Sanpada, Nayl Mumbal.

The Program started with a welcome note by Miss Palak Tiwari, SY student. She introduced the Mr. Mohit Tupone sir to the gathering. He started his session with the introduction of importance of martial arts for personal defence for girl students. He gave the pros and cons of learning karate for girls. In the workshop how to protect our self when some attacks happen and how to save others were taught. Karate is a sport that builds strength, speed, stamina, and endurance in girls, keeping them physically fit, establishes a positive personal image and further promotes confidence in life in general. All the girl students very actively participated in the workshop They felt that it would be really useful for them. Some of the students expressed very good views in their feedback on the program. Mrs Kranti D.Patil, Women development committee incharge was present for the workshop. The workshop ended with Vote of thanks. The confidence level has been increased • Girls have been emotionally, mentally and physically

Outcome

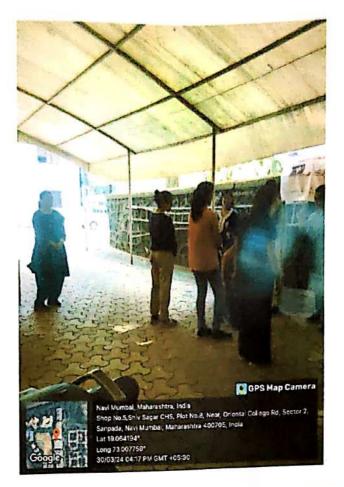

- Girls have been emotionally, mentally and physically prepared to deal with an attack. They are able to defend and raise their voice.
- They have been aware on defense against offense attacks
- They have been aware on escaping techniques against different hold and chokes.
- They have been aware on ground fighting and use it as per their need.
