Oriental College of Pharmacy at a Glance: OCP was established in 2004 by the Late Prof. Javed Khan, offering its students a unique opportunity to integrate theoretical and applied knowledge in the health professions, so that graduates become enlightened thinkers as well as competent pharmacists. The state-of-the-art laboratories of the college, along with its highly experienced and recognized faculty, provide students with valuable hands-on learning and technical skills. Located in the heart of Navi Mumbai at Sanpada, within walking distance from Sanpada railway station and spread over a three-acre campus, OCP provides students with resources creating a highly stimulating and inspiring environment for learning.

About Shri B.V. Patel Education Trust Shri B.V. Patel Education Trust, Ahmedabad was established in the fond memory of the First Drug Controller of Gujarat, Shri Bhupendrabhai V. Patel in the year 1974. Vision and Mission of the Trust is educational activities in the field of pharmacy and allied sciences to support pharma industry with skilled scientists/technocrats/management professionals. To fulfill this goal the Trust carries out various programmes like International Symposiums, Hands on Training Workshops, Industry-Oriented Dissertation Programs etc. The Trust also conducts Shri B.V. Patel Essay Competition annually where students/academicians/industry professionals from various field can participate. In addition to this the Trust also organizes Shri B.V. Patel Memorial Lecture every year in 'Indian Pharmaceutical Congress' where the winners of Essay Competition also receive medals and cash prize. The Trust is also planning to start Certificate Courses for pharma and allied science graduates to prepare them for industry oriented skilled human resource. The Trust is also working to come up with innovative programmes to support students and promote educational activities in Gujarat.
